

Clanky

Case 1: SGKB x IBM Personal Financial Management

The Problem

E-Banking is fing boring**

We will change that

The Problem

Reactive

One fits all

Approach

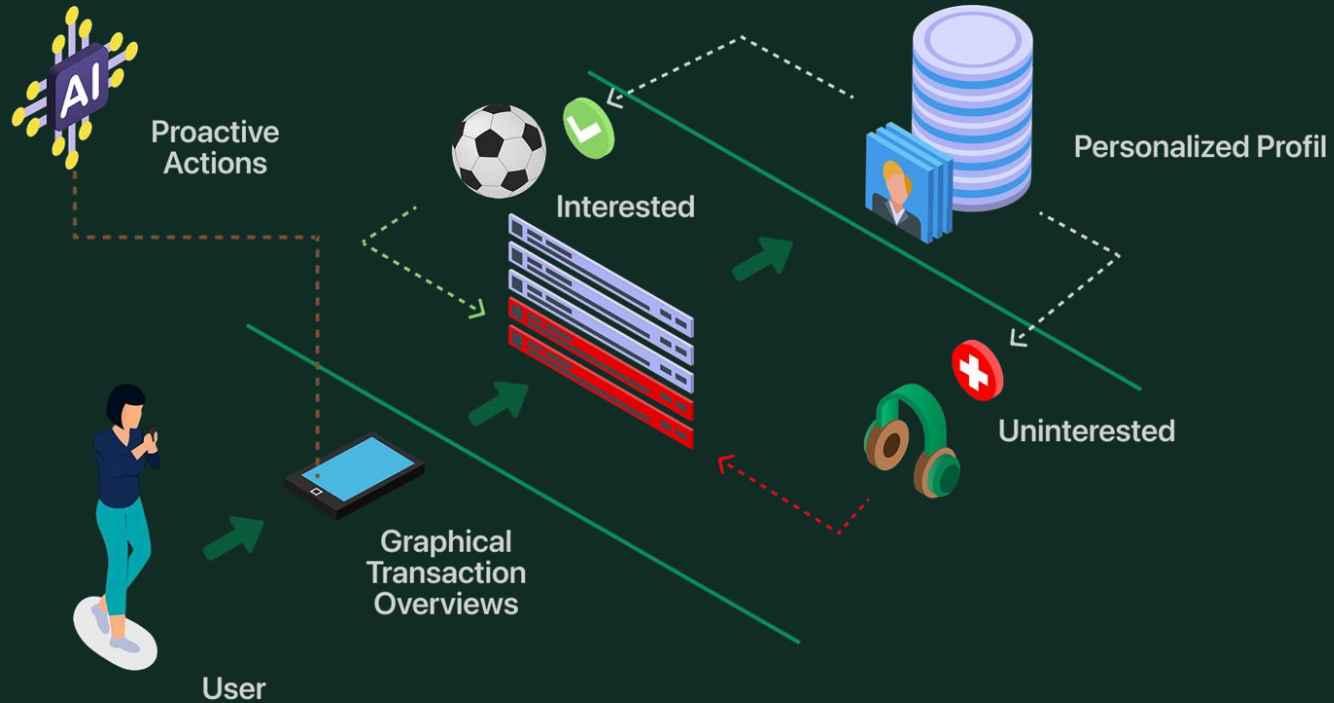

Everyone got his own version of Clanky in his pocket!

- Brother of existing mascot
- Smart
- Agentic
- Remembers
- Creates Customer Connection

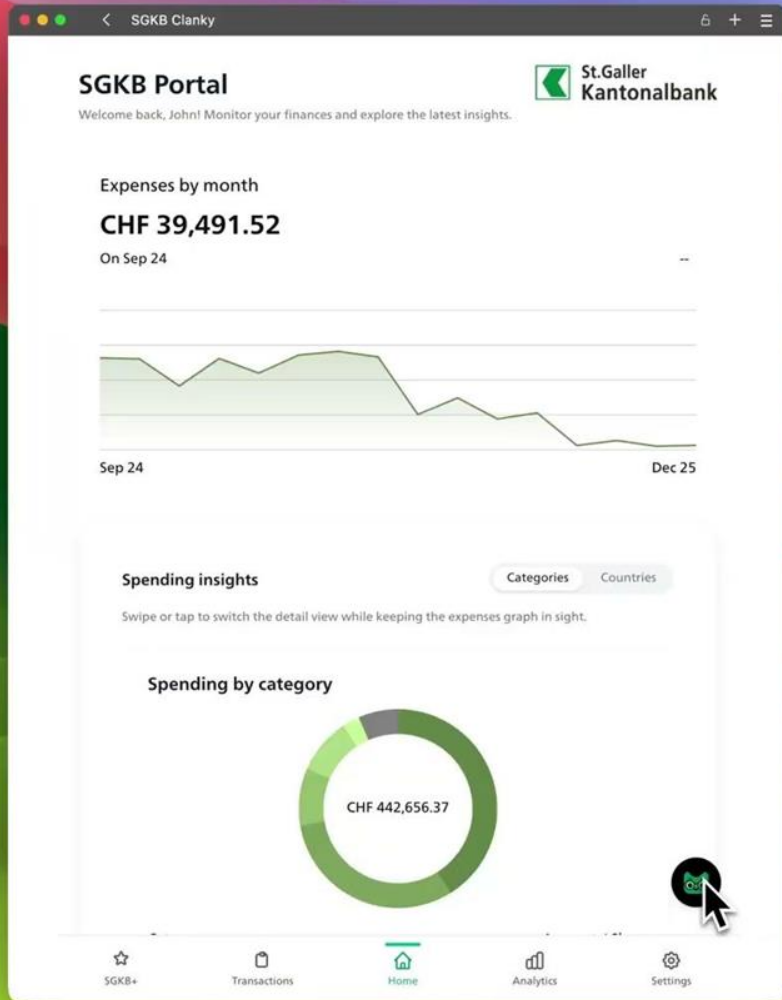

The Solution Design

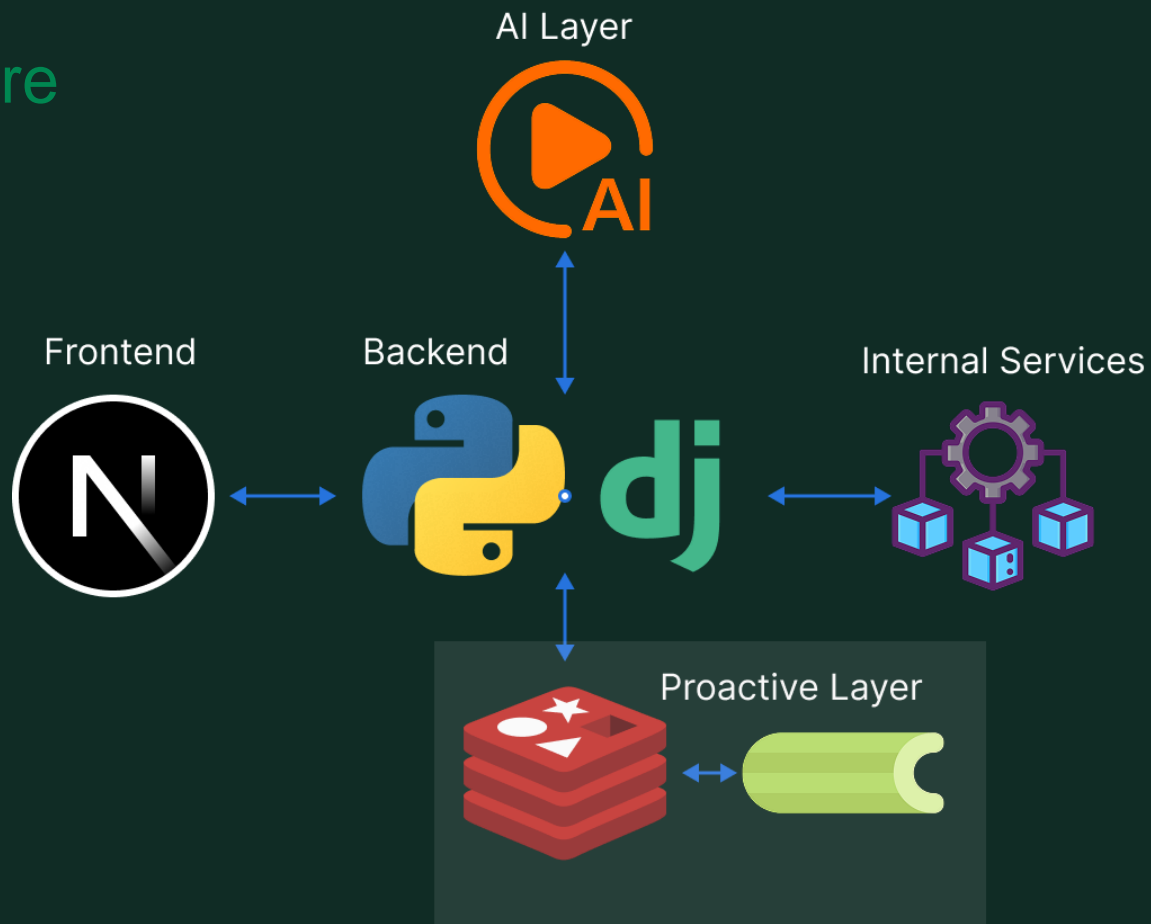

Unique Value Proposition

Clanky helps you with your finances proactively

Architecture

Who are **we**

Bleon Hyseni

Applications Manager
at AHV
B.S.c CS at ZHAW

Thaddeus Zambelis

Site reliability engineer
at InventX

Kenin Kujovic

Apprentice SWE
at confirm IT Solutions

Harun Ibushoski
